

IF YOUR “AIM” IS TO IMPROVE YOUR SHOOTING SKILLS CONSIDER JOINING THE CVCC PISTOL LEAGUE

The Cedar Valley Conservation Club (CVCC) would like to give those who enjoy pistol shooting an opportunity to join our Bullseye Pistol League.

Our Goal: Offer our members, and those willing to join the CVCC, an affordable and safe place for some friendly competition for both pleasure and improvement of your shooting skills.

When: The League is 10 weeks long and shoots weekly from:

Thursdays, June 23rd to August 25, 2022.

Training/Practice Sessions: Thursdays June 9th and June 16th at 6 p.m. in the CVCC clubhouse

All those new to bullseye league shooting, it will be mandatory to attend one of the training sessions and practice on the Bullseye Pistol course. Safety and procedure will be presented at the practice events. Those who shot the bullseye league in 2021 need not attend the training portion of the practice sessions.

The Training /Practice events are free. **Come check it out!**

What we shoot: You may use .22 rimfire or any centerfire pistol. As with any new activity, there are a number of procedures and rules to be followed. Since accidents are unacceptable, those joining the league will be given safety information along with helpful hints for beginning shooters at the Training/Practice sessions.

Costs: For insurance reasons, you need to be a member of the CVCC. CVCC annual dues are currently \$35. Bullseye League cost is \$25. \$35 to shoot both .22 rimfire and centerfire.

Sign-up on training/practice nights.
