Thank You all for participating in this falls trap league. I think the athletes we had this year were some of the best shots we have had. There were a lot of close competitions. I know for sure they were some of the best behaved and fun kids we have had. I would also like to thank all the coaches, parents and volunteers that helped me out. I was sunk without you. Hopefully we can all get together next year and do it again.

Thanks to All,

Paul

6th Grade – We only had one participant this year. Noah Klouse will get a special medal.
